Cristian, Braşov
Romania

PROFILE

Medical graduate (MD) transitioning into medical writing and AI-assisted health content, after six years of clinical training across multiple specialties. I combine clinical accuracy with clear, patient-friendly writing, and hands-on experience using AI tools to draft faster while rigorously fact-checking every claim. Empathetic, detail-oriented, and equally comfortable working independently or within a team, in Romanian, English, and Spanish.

EDUCATION

LANGUAGE SKILLS:

ROMANIAN — C2 (native language)

ENGLISH — C1-C2

SPANISH — B1

OTHER CERTIFICATES:

- **ORACLE ACADEMY Award of Course Completion "Database Design and Programming with SQL" 29/05/2020**
- **CAMBRIDGE English Certificate (B2- 2016)**
- **Driver's License Category B**
- **ABC Alcohol and Beverage Control training certificate**
- **ServSafe California Food Handler Certificate**
- **CIEE Young Civic Leadership Summit - Certificate of Completion**

SKILLS

- **Medical & scientific writing**, grounded in six years of clinical training across multiple specialties
- **Patient education & health literacy communication** — turning clinical information into something a worried reader can actually use
- **Clear, empathetic communication** — practiced explaining diagnoses and lab results to real patients, not just in theory
- **Fast learner, comfortable with new tools and subject matter** — evidenced by building and maintaining my own trilingual website from scratch
- **Calm and detail-oriented under pressure**, built from real clinical shifts, not just claimed on paper
- **Cross-cultural communication** (Romanian, English, Spanish)
- Research, fact-checking & evidence-based writing
- **Reliable and deadline-driven**, with a strong sense of ownership over every piece of work I put my name on

HOBBIES

- Hiking & bouldering
- Cooking & baking
- Playing the piano
- Pottery & gardening
- Traveling
